

Dartmouth
GEISEL SCHOOL OF
MEDICINE

2019 FALL REUNIONS
SATURDAY MORNING PROGRAM

Saturday, September 28

Chilcott Auditorium, Vail

9:30am–11:45am

- 9:30–10:00am **Welcome**
Dean Duane Compton
Dean Compton will provide an overview of the medical school and the goals of the *Interaction* campaign, followed by a Q and A.
- 10:00–10:40am **Student Government Panel**
Four students will talk about their time at Dartmouth and their medical interests, highlights of their medical school experience, and the work of student government at Geisel. Students are looking forward to answering your questions!
Kinan Bachour, MD/MBA (MBA year), *Student Government Vice President of Academics*
McKenna Kelly, M3, *Student Government Wellness Representative*
Michael Nasr, M3, *Student Government Vice President of Professional Development*
Shruthi Nammalwar, M4, *Student Government President*
- 10:40–11:10am **New Geisel Programs: Curriculum and Coaching**
Kim Gifford, MD
Assistant Professor of Pediatrics
This session will provide an overview of Geisel's new curriculum and coaching program. The new preclinical curriculum focuses on organ system based courses with integrated longitudinal topics. The coaching program connects incoming students with faculty coaches for the duration of medical school to support enculturation into medicine and professional development. There will be time for questions.
- 11:10–11:40am **The Residency Match in 2020: Frenzied but still Fabulous**
Alison Holmes, MD
Director of Residency Programs
Associate Professor of Pediatrics, Medical Education,
and of The Dartmouth Institute
Dr. Holmes will talk about how the medical school is preparing students for residency, and for the match, as well as how alumni can help students with the process. There will be time for questions.
- 11:40–11:45am **Concluding Remarks**
Dean Compton
- 11:45am **Tours of the medical school**
